

Villa Sant Josep

4.000.000 €
Ref: A1455

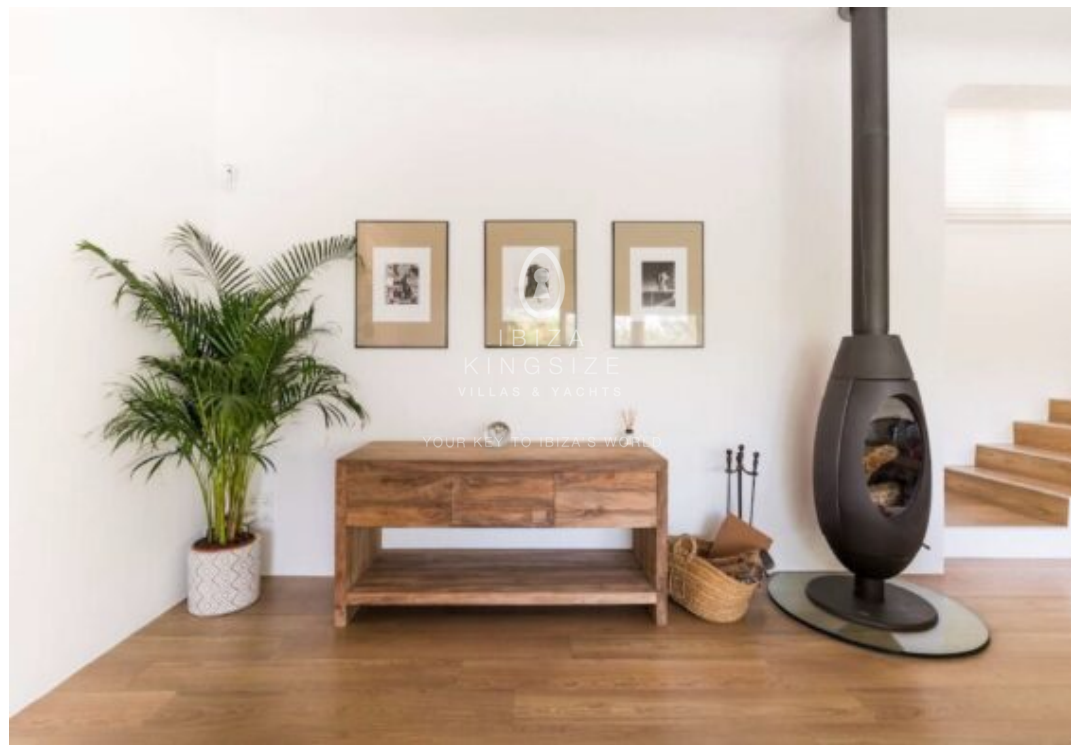

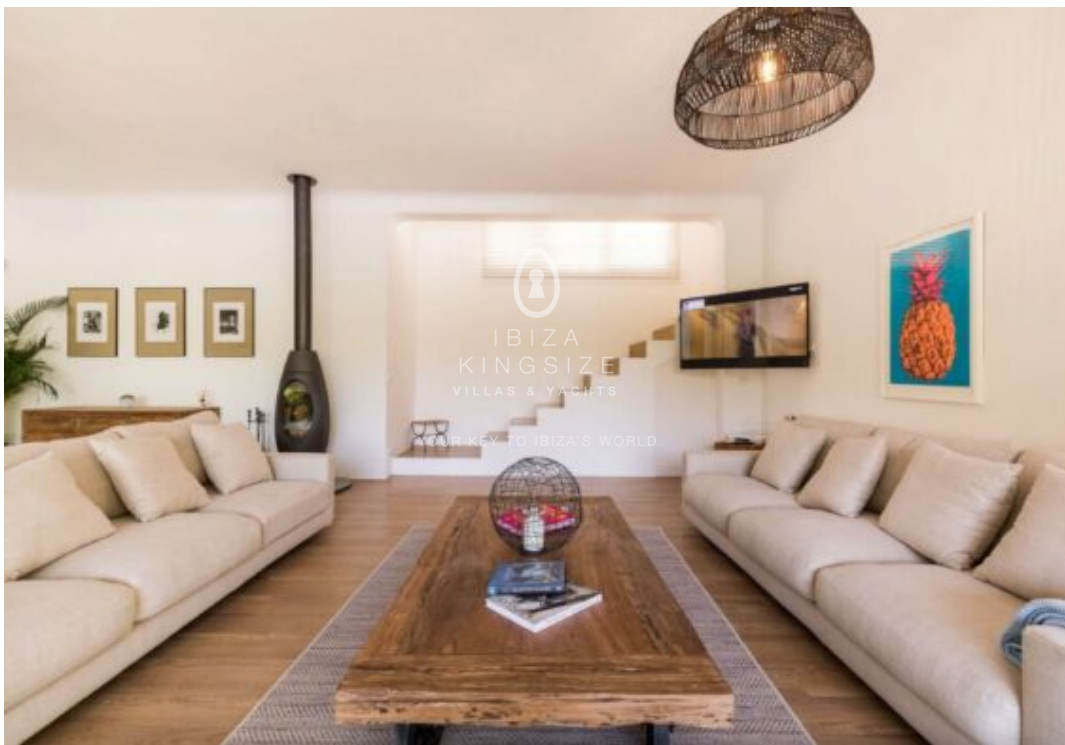

This beautiful Villa rests on the south side of one of the highest hills on Ibiza. The one storey house is spread over different levels following the contours of the rocks below. The large fitted kitchen opens into a bright dining area which leads to the expansive living room with light from all sides. The six meter sliding double-glazed doors open into a covered terrace with a view over the pool and the huge terraces. The bedrooms are at both ends of the house; the east wing with the master bedroom and bathroom and two further bedrooms sharing a bathroom. The west wing also has three bedrooms; one en-suite and two sharing a large bathroom with a walk-in shower.

The villa is situated about half way between Ibiza town and Sant Josep. The surrounding countryside provides endless opportunities for quiet walks and cycling.
