Villa with touristic licence in Sa Carroca, renovated in 2013, keeping the authentic charm of a finca.

The property has an enormous size of 105.000 m2. From the terrace with infinity pool you have a spectacular panoramic view over the sea and you can enjoy the sunsets in the bay of San Antonio. The villa offers a very well maintained garden with native plants and olive trees.

The property with a living area of 399 m2 has 3 bedrooms and 3 bathrooms. The ceilings are 3.4 meters high throughout the house, which gives a very spacious feeling.

A special feature is that the entire residence is 'off grid', which means that it is not connected to the electricity grid, water supply and sewerage.
