The fantastic villa is located at the top of Can Furnet, less than ten minutes from Ibiza's vibrant city centre. The pool terrace, with its expansive size, is suitable for celebrations of all kinds. From here you have a breathtaking view. The pool itself is equipped with an LED multicolour system and can be adapted to the respective surroundings. The two-storey main house, with a noble design of 400 m2, impresses upon entering with its new, state-of-the-art and fully equipped kitchen. The adjoining open-plan living and dining area has large windows. Everything is dominated by the magical brightness of the sunlight and the view of the beautiful island below. The large round lounge with fireplace invites you to linger in the evenings. The villa has four large, tastefully decorated bedrooms with modern en suite bathrooms. All rooms have sea views and private access to the terrace or pool. A slightly smaller, fifth bedroom allows the house to be occupied by up to ten people. In addition, the house has a new, sixth bedroom in the annex, also with en suite bathroom.
